- 3.6.1 The Service Provider shall, at its own cost and expense and at all times obtain and maintain all the Approvals, as may be required for provisioning of the Services, from various Relevant Authorities, without any recourse of any nature against DIAL. DIAL may, acting in good faith on the request of the Service Provider, assist in applying for Approvals to the extent it considers appropriate at its sole discretion. However, failure to obtain the Approvals shall not relieve the Service Provider of its obligations under the Agreement.
- 3.6.2 The Service Provider shall at all times comply with the Applicable Laws, Good Industry Practise and rules and regulations as may be enforced by the Relevant Authorities with respect to the manpower for the Services and shall at all times comply with the Safety Management System and Occupational Health & Safety Management System guidelines as stipulated in Section VIII of this RFP.

3.7 Sub-contracting

The Service Provider is not permitted to sub-contract any of its obligations to be performed under the Agreement to any third party without the prior written approval of DIAL on appointment of such third party regarding the terms and conditions of the contract between the Service Provider and such third party except the commercial terms as may be agreed between the said parties.

3.8 Registration with BCAS

The Service Provider shall register itself with the Bureau of Civil Aviation & Security (BCAS), which is the authority for issuing Airport Entry Passes (AEP), for the purpose of performance and provisioning of Services in the Service Areas, as applicable.

- 3.9 For other and detailed terms and conditions, the Agreement may be referred to.

CLAUSE 4 – BID PROCESS SCHEDULE AND DETAILS

4.1. Brief overview of the bidding process

- 4.1.1. Bidders are required to submit their Proposal by the Proposal Due Date through the ariba portal, in accordance with the terms hereof and as specified in the Bidding Documents, as modified, altered, amended and clarified, from time to time, by DIAL (“**Bid Process**”/“**Bidding Process**”).

4.2. Issuance of this RFP

- 4.2.1. This RFP is being issued to the public at large. All Bidders have been and will continue to be provided with the same background information, supplementary information and any amendment or Addendum to this RFP.

4.3. Amendment of RFP and/or Proposal

- 4.3.1. DIAL may, for any reason, whether on its own or in response to a clarification sought by a Bidder, modify this RFP, including but not limited to the timelines specified therein, by issuing an Addendum. In case the Addendum is issued prior to the Proposal Due Date, the Bidder shall have the option to resubmit the Proposal within the time permitted by DIAL, in writing. In case the Addendum is issued after the Proposal Due Date, Bidder(s) shall be required to submit additional information in respect of the Proposal (if any), within the time and manner prescribed by DIAL, in writing.
- 4.3.2. Any Addendum issued shall be a part of this RFP and shall be communicated to all Bidders in the manner as set out in this RFP. The Addendum shall be deemed to be communicated to the Bidder when the same is communicated on email by DIAL.
- 4.3.3. In case after issuance of an Addendum, Bidders who have already submitted their Proposal, do not resubmit their Proposal, it shall be deemed that such Bidders do not intend to modify their Proposal on the basis of the Addendum and the Addendum shall be deemed to have been taken into account.
- 4.3.4. On resubmission of the revised Proposal by the Bidder, the original Proposal submitted by the Bidder shall stand null and void. Alternatively, an Addendum to the original Proposal with respect to any particular clause(s) / section(s) may be submitted by the Bidder, which shall be deemed to supersede such particular clause(s) / section(s) in the original Proposal. Such Addendum to the original Proposal shall be clearly marked as “**ADDENDUM NO. [●] TO ORIGINAL PROPOSAL of [●Name of the Bidder●]**”, otherwise the same shall be construed as an alternative Proposal.

4.4. Visit to the Service Areas

- 4.4.1. Each Bidder is advised to visit the Service Areas during Site Visit Period and inspect the Service Areas in accordance with the timelines set out in Notice of Request for Proposal, as above. In the event, any of the Bidder(s) wishes to undertake a visit to the Service Areas, such Bidder shall inform in writing to DIAL, the name of the representative(s) and seek appointment of time and date from DIAL for this purpose, before the Proposal Due Date.

4.4.2. Subject to security and other clearances, if any required, DIAL may provide reasonable commercial assistance but without any obligation of whatsoever nature, to procure that the personnel of the Bidders are granted permission to enter the Service Areas for the purpose of such visit, but only upon the express condition that the personnel of the Bidders will exercise due care and will be responsible for personal injury or death, loss of or damage to property and any other loss, damage, costs and expenses incurred as a result of such inspection. The Bidder and their respective personnel will release and indemnify DIAL and its personnel from and against all liability in respect thereof.

4.4.3. It shall be deemed that the Bidder has undertaken a visit to the Service Areas and is aware of the conditions at all relevant times.

4.5. Clarifications and response to such clarifications

4.5.1. Clarifications - Any Bidder to whom this RFP has been issued, requiring any clarification on this RFP (including all Schedules, Forms, annexures and formats attached thereto) may notify DIAL in writing within the time specified in the Bid Process Schedule, by e-mail to the authorized person identified in the Notice of Request for Proposal.

4.5.2. Response to Clarifications - The response by DIAL, if any, shall be sent vide email/through ariba portal, within the time specified in the Bid Process Schedule to all the Bidders and not only to the querist. DIAL will respond to any request for clarification, only if it receives the same prior to the Proposal Due Date. DIAL shall be under no obligation to respond to any clarification sought by any Bidder, notwithstanding that the same may have been submitted in accordance with the terms hereof.

4.6. Intimation of change - Each Bidder shall forthwith, from time to time until the expiry of the Proposal Validity Period or selection of the Service Provider (whichever is later), intimate any change in the shareholding or financial prospects/position or constitution of the Bidder or any other information submitted in the Proposal to DIAL, in writing.

4.7. Bid Process Schedule

The Bid Process Schedule shall be as per the schedule provided in the page 2 of this (RFP) document

***Note:** The Bidders may note that while DIAL shall endeavour to adhere to the indicative Bid Process Schedule, as prescribed hereinabove, all scheduled dates indicated in the Bid Process Schedule are subject to revisions at the sole discretion of DIAL, and any revision in the Bid Process Schedule shall be informed by DIAL to the Bidders without assigning any reason and the Bidders agree that DIAL shall not be liable in any manner for any such revision in the scheduled timelines in any manner whatsoever.*

CLAUSE 9 – BID EVALUATION

9.1.1 Bid Evaluation Phase

Examination of Proposals

DIAL will examine the Proposal to determine whether:

- (a) information and documents including the Tender Security, as sought under this RFP are duly provided and submitted in the form and manner as provided in this RFP;
- (b) the Proposal is complete in all respects with due and valid authorization and substantially responsive; and
- (c) the documents have been properly and duly signed and provided in the prescribed formats.

Any Proposal found to be non-responsive and/or incomplete and/or noncompliant with the terms of this RFP may be rejected by DIAL at its sole discretion and not included for further consideration. DIAL may ask for any clarification/supplementary information/further document(s) at any point of time during the Bidding Process including but not limited to cases of insufficiency of the Proposal and the Bidder shall provide and furnish such clarifications/supplementary information/further document(s), within the time prescribed by DIAL. The request for clarification/information and the response shall be submitted in writing unless DIAL believes, in its absolute discretion, that a clarification meeting with the Bidder is required.

DIAL, at its sole discretion, may change the Evaluation Criteria at any point of time for the purposes of evaluation of the Proposal and DIAL shall not be obligated to entertain any queries or communication(s) in this regard either by the Bidder or any third party.

9.1.2 Evaluation Criteria

- (a) DIAL shall evaluate the Eligibility Criteria of the Bidder, basis the documents provided by the Bidder in its Technical Proposal.
- (b) DIAL shall first open the Technical Proposal submitted by the Bidders for evaluation. DIAL may at its sole discretion require the Bidder(s) to present their presentation on the Technical Proposal on such date and time as will be intimated to the Bidder(s) by DIAL. DIAL may also require the Bidder(s) to schedule a meeting of its/their key management personnel at its own discretion or require a presentation by the management of the Bidder(s) to explain the Technical Proposal.
- (c) Upon evaluation and satisfaction of DIAL on the compliance with the requirements of the Technical Proposal including the Eligibility Criteria and other requirements of this RFP, the Price Proposal of the Bidder(s) shall be opened and evaluated.
- (d) After opening of the Price Proposal, the contract shall be awarded to the Bidder whose Proposal has been determined to be substantially compliant and who has offered the most advantageous Proposal giving best value for money for carrying out the Services, in accordance with the terms of this RFP (the “**Evaluation Criteria**”).

- (e) DIAL shall not be bound to award the Work to the party offering lowest price proposal.

9.1.3 Award for the Services

DIAL, at its discretion, may issue the LOIA to the successful Bidder for the Services whose Proposal has been determined to be in conformance with the Bid Documents and who has offered the most advantageous Proposal to DIAL (“**Selected Bidder**”). The LOIA shall be issued, in duplicate, by DIAL to the Selected Bidder. The Selected Bidder shall, within such days as prescribed in the LOIA, sign and return the duplicate copy of the LOIA in acknowledgement thereof. In the event the duplicate copy of the LOIA duly signed by the Selected Bidder is not received by the stipulated date, DIAL may, unless it consents to extension of time for submission thereof, appropriate the Tender Security of such Bidder as damages on account of failure of the Selected Bidder to acknowledge the LOIA.

9.1.4 Execution of the Agreement

- (a) Subject to fulfilment of the conditions mentioned in the LOIA, the Service Provider and DIAL shall execute the Agreement within 30 (thirty) days of the date of the Letter of Intent to Award, unless extended by DIAL in writing at its sole discretion.
- (b) Without prejudice and in addition to the rights of DIAL to invoke/encash the Tender Security as provided elsewhere in this RFP, the Tender Security shall be liable to be forfeited/encashed in favour of DIAL in case of failure of the Selected Bidder to execute the Agreement within the prescribed time or fulfil any of the conditions mentioned in the Letter of Intent to Award, within the time stipulated in this RFP and/or the Letter of Intent to Award.
- (c) In case the Selected Bidder fails to execute the Agreement within the timelines as set forth in LOIA, then DIAL shall have a right to withdraw/terminate the Letter of Intent to Award forthwith without the requirement of any notice in this regard and the Tender Security of such a Selected Bidder shall be forfeited and DIAL shall have the right to execute the Agreement with such other Bidder, which, in the opinion of DIAL, shall have offered the next best Proposal to DIAL or with such other person as may be deemed fit by DIAL or to proceed in the manner as considered in the best interest of DIAL. DIAL shall also have the right to debar such Bidder from participating in any future tenders/bids for any line of business called by DIAL.

GMR values the relationship that it shares with all its vendors/ suppliers/contractors (“**Suppliers**”) and believes in dealing with them in a fair and transparent manner. Similarly, GMR expects its Suppliers to comply with the terms set forth herein and also to ensure that there is transparency in their dealings in all of their activities and sites worldwide.

1. Ethics & Integrity

In order to maintain high standards of social responsibility, all Suppliers are expected to conduct their business in an ethical manner and act with integrity.

a) Bribery and Corruption

The Suppliers hereby warrant that, they will not, either themselves or through contractors or sub-contractors or through their agents/representatives, offer, promise or make any payment, gift, to any of GMR’s employees, government officials or use other means to obtain an undue or improper advantage in a manner contrary to the applicable laws (whether applicable in the place that the Supplier is situated in or elsewhere) and that, they have no knowledge that other persons who share a working relation with the Supplier will, for the purpose of obtaining or facilitating the performance of, the contracts entered into between GMR and the Suppliers or such other connected contracts. Suppliers shall uphold fair business standards in advertising, sales, and competition. Nothing in this Code shall however render GMR liable to reimburse the Suppliers’ agents or their associates for any such consideration given or promised or for any consequences arising out of such action that violates the applicable laws or involves using corruptive measures.

b) Integrity

Suppliers warrant that, the Suppliers and / or their contractors and / or sub-contractors and / or agents / representatives shall maintain high degree of integrity during the course of their dealings with GMR. If it is discovered at any time by GMR that any business/contract whether directly/indirectly connected to the contracts was procured by playing fraud or by misrepresentation or suppression of material facts, the contract entered into between GMR and Suppliers shall be voidable at the sole option of the relevant entity of GMR. For avoidance of doubts, no rights shall accrue to the Suppliers in relation to such business/contract and GMR or any entity thereof shall not have or incur any obligation in respect thereof. If such acts of the Suppliers result in defaming GMR or results in third party claims or actions being brought against GMR, then in such case, the Suppliers shall be required to indemnify GMR from and against any and all losses or damages suffered by GMR.

c) Conflict of Interest

Suppliers warrant that they shall not enter into a financial or any other relationship with a GMR employee that creates any actual or potential conflict of interest for GMR. For the purpose of this Code, a conflict of interest arises when material personal interests of the GMR employee are inconsistent with the responsibilities of his/her position with GMR. If any such conflicts are present, the same shall be disclosed and approved in advance by GMR management.

2. Labour Laws & Human Rights

Suppliers are expected to protect the human rights of their employees/workers and to treat them with dignity and respect and in this regard, the Suppliers warrant that, in all of their activities, Suppliers shall operate in full compliance with the laws, rules, and regulations of the countries in which they operate and shall ensure not to use any form of forced, bonded, indentured, or child labour.

a) Child Labour

Suppliers shall not employ/encourage employment of children, falling under such age group that is prohibited from being employed by the applicable law, for providing of Services either internally or outside the premises of the Supplier.

b) Forced labour

Suppliers shall not use forced labour. Supplier shall not force/coerce the employees/workers to work or demand Services from the employees/workers under the threat of some sort of punishment especially in cases where, the employees/workers have not undertaken voluntarily to work for the Suppliers. All the Services being provided by the Suppliers' employees/workers must be voluntary and the employees/workers shall be free to leave the work or terminate the employment with reasonable notice. Suppliers shall further ensure that, contracts for both direct and contract workers clearly convey the conditions of employment in a language understood by the employees/workers of the Suppliers. Where Suppliers shall be responsible for payment of all fees and expenses, the Suppliers shall make the required payment to their employees/workers.

c) Fair Treatment

Suppliers shall provide a workplace free from hard inhuman treatment, or even the threat of any such treatment, any sexual harassment, sexual abuse, corporal punishment or other enforcement measures that compromise the individual's physical or mental integrity. Suppliers shall not threaten their employees/workers with or subject them to harsh or inhumane treatment, including sexual harassment, sexual abuse, corporal punishment, mental coercion, physical coercion, verbal abuse, or unreasonable restrictions on entering or exiting company-provided facilities.

d) Anti-discrimination

Suppliers shall provide their employees/ workers with a workplace free from harassment and/or deliberate discrimination or exclusion of preference made particularly on the basis of race, national origin, skin colour, language, religion, caste, political affiliations, gender, gender identity, sexual orientation, marital status, age, disability, pregnancy and related medical conditions, military or veteran status, or on any other basis prohibited by the applicable law.

e) Health and Safety

Suppliers shall provide a safe and healthy working environment that poses no risk to health of the employees/workers working at their sites and ensure compliance with local and national regulations. Suppliers shall commit to creating safe working conditions and a healthy work environment for all of their workers.

f) Minimum Wages & Other Employee Benefits

Suppliers must pay the minimum salaries and employment benefits that are at least equal to the normal local salary or in compliance with minimum wages required by the applicable laws and regulations and provide all legally mandated benefits and satisfy all applicable employment laws.

3. Environment Protection

The Suppliers shall comply with all the applicable legal requirements, as well as with any existing industry standards and guidelines regarding the environment and sustainability, but at the very least (i.e. in the event that the legal requirements and/or any industry standards and/or guidelines are less stringent than the requirements below or do not exist at all) with the following requirements:

a) Resource Conservation and Emissions

Suppliers will use raw materials and natural resources in a responsible and economical manner and make every effort to reduce the consumption of energy (electricity, heating), water, and fuel by encouraging practices such as the modification of production, maintenance and facility processes, material substitution, conservation, recycling and material re-utilization, and further shall try to, reduce any associated emissions, try to use environment-friendly means of transport.

b) Hazardous Substances

Suppliers shall identify and manage substances that pose a hazard if released to the environment and comply with applicable laws and regulations for recycling and disposal. Suppliers shall ensure the safe handling, movement, storage, use, recycling and/or reuse and environmentally-friendly disposal of such substances, in their operations.

c) Improvement Objectives

Suppliers shall operate a systematic process of planning, training, implementation, monitoring and evaluation for review of the impact caused on the environment. Suppliers shall endeavor to use new progressive environmental technologies that lead to measurable improvements in terms of environmental impact (e.g. climate change).

4. Management Systems

Suppliers shall adopt or establish a management system designed to ensure / facilitate compliance with the Code and applicable laws and regulations, identify and mitigate related operational risks, and facilitate continuous improvement. The management systems elements should include the following elements:

a) Documentation

Suppliers must maintain and urge their subcontractors to maintain the appropriate records necessary to demonstrate conformance and compliance with applicable laws and regulations and the principles and expectations specified in the Code.

b) Audits

Suppliers will use periodic self-evaluation or such other auditing procedures to ensure conformity to applicable laws and regulations and terms specified in this Code.

c) Implementation plans and Corrective Action Process

Suppliers shall have processes in place to make corrections or to address any deficiencies or non-compliances herein.

5. Usage of GMR Logo and Brand

Suppliers shall not use GMR name, logo and trademark for any which purpose without specific authorization by GMR. IN case the Suppliers fail to adhere to the requirements specified in this Clause, GMR shall have the option of terminating the contracts entered into with such Suppliers and seek such relief including claim/s for compensation or damages as are available to it under applicable laws.

6. Confidentiality

The Suppliers shall not pass any confidential information that belongs to GMR to any third party unless otherwise authorized by GMR or is made available to the Suppliers by GMR.

7. Reporting Concerns

The conduct expected from the Suppliers and compliance with the same in accordance with this Code is critical to the principles GMR believes in and the way it conducts its business. If you have any complaints about compliance or ethics issues while working for or with GMR or want to report illegal or unethical activities, you may address the same to:

Our ESG Code of Conduct reflects our Values & Beliefs and business practices. This document provides general reflection of the GMR Group's expectations from its Suppliers*. Any business with GMR is subject to this policy

SUPPLIER CODE OF CONDUCT on ESG

This Supplier Code of Conduct on ESG ("ESG Code") has been formulated by GMR Group ("GMR") based upon the policy followed by GMR Group (GMR) in implementing the ESG standards in its regular business(es) and business practices that GMR follows. GMR Group values the relationship that it shares with all its vendors/ suppliers/ contractors/ subcontractors/ contractors/ consultants ("Suppliers")* and believes in dealing with them in a fair and transparent manner. Similarly, GMR expects its Suppliers to comply with the terms set forth herein and also to ensure that there is transparency in their dealings in all of their activities including sourcing principles, labour related compliances, protection of human rights, complying with environmental requirements, ensuring legal and regulatory compliances as applicable.

GMR Group has established an ESG committee that is mandated to review the Environmental, Social and Governance policies of the Group including the review and rating of the compliances of Suppliers, through respective subcommittees on quarterly basis. The ESG policy implementation, further improvements and appropriate communication to the stake holders will be managed by the ESG Committee.

Accordingly, the ESG committee represented through a nodal officer may seek details of compliances, defaults and improvements on ESG aspects followed by the Suppliers and reserves right to suggest improvements and take appropriate action to protect interests of GMR Group companies vis-à-vis implementation of ESG policy in GMR Group.

GMR Group encourages the Suppliers that comply with the initiatives mentioned in this ESG Code. Further GMR Group reserves right to disassociate themselves through appropriate contractual process with the Suppliers that defaults in these aspects and in any case the PO/ WO issued by any of the GMR Group companies, will be liable to be terminated should there be any adverse remark OR penalty OR action on the Suppliers that could potentially dilute the reputation of GMR Group in their endeavour to comply with ESG requirements.

All our Suppliers are expected to comply with these requirements and further communicate it to their suppliers regarding the requirements of GMR ESG Code of Conduct. The performance of the Suppliers will be reviewed by the Procurement team and by the respective user department on ESG criteria also, as part of Vendor evaluation process.

All the suppliers are encouraged to have ESG Committee and report on the ESG parameters following global reporting standards & SEBI guidelines. The compliance of the appropriate ESG requirements will be monitored by GMR for Suppliers from time to time and Suppliers with lower rating/ compliance levels, may NOT be considered for future business with GMR.

1. Environmental Requirements:

- a) Compliance with environmental regulations and standards.

It is mandatory for the Suppliers to be aware of and to adhere to the applicable laws, regulations and

Standards pertaining to the Supplier's activities, for the entire scope of work. The Suppliers are engaged by GMR only on the assurance of the Supplier on these aspects and in case of noncompliance, GMR reserves right to take required action under the provisions of contract.
